# Continuing Education for Senior

4.5 Day Resident, 40 hours of dL

## Leaders

The CESL targets leaders at the GS14/15 leadership level or equivalent. CESL will sustain and further develop leaders by refining their broad skills and potential for the Department of Defense's future contemporary operating environment. The program is a participatory environment where students discuss current issues in the field.

Prepares for transition to senior level leadership positions

Uses inventive problem solving techniques

Strengthens awareness of organizational well being and cultural diversity issues

Uses knowledge management techniques

Generates strategic thinking: creating agile and resilient organizations

Understands impact of moral development/Intellectual development
